

A child in a blue shirt is holding up a board. On the board is a drawing of a hot air balloon. The balloon's envelope is white and has the text 'Что я знаю?' written on it. The basket is brown and contains a blue parrot with the number '100' on its side. A scale is attached to the bottom of the balloon. The background of the board is a landscape with a sun and trees. The child is looking up at the board with a curious expression.

Что я знаю?

А я знаю,
Сколько тонн
Весит слон:
Слон индийский –
Двадцать тонн,
Африканский –
Десять,
А не веришь,
Сам поймай
И попробуй
Взвесить!..
